Product Description

When you choose our silk wedding bouquets, you will not only get exquisite handmade floral arrangements, but also experience thoughtful and personalized services, adding more unique colors to your wedding.

High-quality environmentally friendly flower materials:

Our silk wedding bouquets are made from high-quality, eco-friendly silk material, ensuring the texture and appearance of your floral arrangements are more authentic. Each flower is carefully selected to ensure that the texture and color of the flower are comparable to the real flower, giving the bride the beauty of a fresh flower.

Various colors available:

In order to meet the wedding themes and personal preferences of different couples, we provide a rich and colorful selection of artificial wedding bouquets colors, including classic white, romantic pink, deep purple, etc. Customers can easily pick their favorite bouquet colors based on their wedding theme and personal style.

Durability:

We focus on handcrafting and the durability of the flowers to ensure that the silk bridal bouquets remain beautiful throughout the entire wedding process and are not easily withered or damaged. Brides can enjoy the entire wedding day without worrying about the condition of their bouquets.

Personalized customization:

In order to meet the unique needs of every bride, we support personalized customization services. Customers can choose the shape and size of the bouquet, the combination of flowers and add special accessories to create a unique and personalized wedding floral arrangement.
