Product Description

Introduction

Fake dahlia wall decor embodies the fusion of elegance and customization. It is made from a mix of silk and plastic materials for a unique texture and durability. The size ranges from 40*50cm to 40*60cm and can be customized to meet different space requirements.

The versatility of Artificial dahlia flower wall decor shines with its diverse floral arrangements. Different flowers and plants can be easily combined to create a custom design. Available color palettes include white, blush, red, yellow, champagne and purple to integrate seamlessly into a variety of settings.

Artificial dahlia flower wall panel transforms a space with its captivating beauty and is perfect for weddings, shop decorations and prop settings. Enhance your surroundings with the enchanting appeal of this thoughtfully designed and customizable floral decoration.

Bright colors and clear texture

The petals are vivid and full, with a sense of hierarchy, the colors are naturally smudged, and the touch is soft, perfectly replicating real flowers without cutting corners.

Stable structure and free splicing

High degree of simulation, stable back structure, flower types can be freely combined and spliced

No maintenance required, easy to use

No need to water or fertilize, it will not wither or fade, saving manpower and material resources for future management.
